 HUNDRED PERCENT STRATA	WC IPA	BREAK EVEN	FELDBLUME, CLIPPER	6.8%	16oz	\$8

 **CASK BEER**

Cask-conditioned ale is beer that undergoes a second fermentation in the cask. This second fermentation naturally carbonates the beer. Cask beer is typically served cool but not cold and with less carbonation than CO2-dispensed beer. The result is a beer with nuance and complexity that is also refreshing and drinkable. Subtle malt character is one of a number of flavor attributes that can be more discernable and enjoyable in cask ale.

## WINE & CIDER
